Endowment Payout Process

College of Arts & Sciences

Dean’s Office Budget Team

July 28, 2020
Types of endowment & gift sources
3 types of sources depending on the recipient

University
Gift funds: 5XXXX or 15XXX
Endowments: 7XXXX
- Gifts post the day after received
- Endowment payout automatically posts to the expendable in late June

Arts & Sciences Foundation
Gift funds: C5XXX
Endowments: C0XXX
- Gifts received during the year are held in the ASF and transferred once a year
- Endowment payout posts in the ASF, department must decide how much to take in expendable

Chapel Hill Foundation
Gift funds: U5XXX
Endowments: U0XXX
- Gifts received during the year are held in the CHF and transferred once a year
- Endowment payout posts in the CHF, department must decide how much to take in expendable
Each type of source currently has its own process

**University**

Gift funds: Not included in any payout processes since gifts automatically post

Endowments: Payout automatically posts and the department is responsible for processing a journal entry to reinvest excess balance

**Arts & Sciences Foundation**

Gift funds: Gifts received in the previous FY are transferred as part of payout process; must be acknowledged for annual audit

Endowments: Department must decide how much to take and how much to reinvest; once transferred to the University, there is no option to reinvest into principle; focus of existing payout process

**Chapel Hill Foundation**

Gift funds: Gifts received in the previous FY are automatically transferred in beginning of the FY; no acknowledgement requirement

Endowments: Department must decide how much to take and how much to reinvest; once transferred to the University there is no option to reinvest into principle; decisions collected via email
ENDOWMENT PAYOUT PROCESS

New payout process
Streamlined approach using new payout tool

**University**

Gift funds: Unchanged

Endowments: Now included in decision process; Dean’s Office will process a mass reinvestment journal entry based on department responses

**Arts & Sciences Foundation & Chapel Hill Hill Foundation**

Combined into a single process for easier management

Gift funds: Acknowledgment in new payout tool

Endowments: Department payout decisions captured in new payout tool; ASF will process payout journal entry based on responses and the Dean’s Office will communicate CHF decisions collected in the system to Accounting Services
New payout process tool
Decisions due: 8/21
